

Zdravo Nova Parents,

My name is Damian Misiaszek. I am ecstatic about joining the Nova teaching team and about the possibilities of immersing myself in everyday culture and life of the hospitable Macedonian people.

I have been teaching in Canada and internationally for a combined 15 years and look forward to bringing my expertise to a new part of the world that I have yet not experienced. As a social studies teacher, I embrace the process of both student and teacher becoming more internationally- minded and culturally aware, global citizens.

I call home, Edmonton, Canada, where I graduated from the University of Alberta with a Bachelor in Education, with a major in Social Studies and a minor in Mathematics/Economics.

Joining me in Skopje will be my son, Benjamin, who will be attending kindergarten at Nova and my wife, Diana who will be helping and volunteering within the local community.

I have a passion for living life to its fullest and love playing all sorts of different sports, chess, board games, reading, trying different cuisine and watching movies.

I cannot wait to arrive to Skopje, in August and order my first cevapi and shopska at the local Kafana!

Ciao

Damian
